

JOHNSON CLUB

ORGANIZATION LAUNCHED TO PROMOTE CANDIDACY OF CALIFORNIAN

The organization meeting of the "Johnson for President Club" at Glendale Union High School Wednesday night revealed great enthusiasm for California's presidential candidate and the work progressed swiftly.

The assembly was called to order by J. H. Franklin, who made a brief speech, in which he said:

"The Republican party does not lack for presidential material. Governor Lowden of Illinois, General Wood and Senator Harding of Ohio are all men abundantly equipped to fill the high office of president of the United States and if any one of those gentlemen would get the nomination, he will have my cordial support, as I know he would that of every person in this room; but there is one man who stands head and shoulders above them all and that man is the favorite son of California, Hiram W. Johnson. (Applause). He is the man of altogether the greatest force of character, of the greatest independence of judgment, who has the courage of his convictions. He has had great executive experience. Wherever he is known he is honored and wins supporters." Mr. Franklin then referred to Michigan's vote for Johnson and to the fact that in Illinois where his name did not appear on the ballot, 46,000 men and women took the trouble to write it in because they approved Johnson. In conclusion he said: "California has not yet voted, but when she does there will be an overwhelming expression for Hiram W. Johnson." (Great applause).

The speaker then stated the purpose of the meeting and suggested that immediate steps be taken to formally organize by the election of officers.

In obedience to the suggestion, officers were nominated and elected as follows:

- J. H. Franklin, president.
- Frederick Baker, first vice-president.
- Mrs. S. C. Leppelman, second vice-president.
- Mrs. W. E. Evans, third vice-president.
- Mrs. J. H. Braly, fourth vice-president.
- Owen Emery, secretary.
- C. A. Rudel, treasurer.

On motion of J. H. Braly the president was instructed to appoint a financial and executive committee of five. The assembly also empowered the officers and members of the executive committee when named to appoint a campaign committee sufficiently large to provide a representation.

FORMER RESIDENTS RETURN TO VISIT

Mr. and Mrs. W. H. Ginn and Miss Clara Ginn who formerly lived in Glendale on Orange street, came down last Friday by auto from their home in Corcoran and spent the week-end in Glendale, having headquarters at the Central Hotel and visiting among their old friends here. Miss Jennie Cornwell of North Orange street went with them when they returned to the north the first of the week. While here they visited Burbank and Long Beach and were entertained for the day by Mrs. George T. Paine of 351 Ivy street. Mr. Ginn's ranch is this side of Fresno. The Ginn's were residents of Glendale for about five years and left here three years ago.

RAINBOW MAN

EDWARD B. REGAN OF RAINBOW DIVISION ADOPTS GLENDALE AS HIS HOME

Edward B. Regan, formerly an officer in the 117th Engineers of the Rainbow Division has succumbed to the charms of Glendale and will make his residence in future with Stanley C. Gorman of Lomita avenue, who was one of his buddies during the war. Possibly because of his good Irish fighting blood, Mr. Regan has an excellent war record and since the war ended has held the office of president of the Southern California Rainbow Veterans. At the present time he is heading the drive which the organization is conducting to raise funds for its injured members. He is the first of the company members whom the Glendale fellows have persuaded to come here and more are to follow soon who have been lured by the boosting of our city by Glendale boys during the war.

OUR SOLDIER GUESTS

HOW THE DETACHMENT RECENTLY WITH US IS MADE UP

Early this morning soldiers and officers of the 11th Cavalry, with us as guests for two days, were astir and making ready to resume the march toward Monterey, their final destination. Horses were fed, breakfast eaten, then the mounts "cinched up" and finally the line of march taken up for Calabasas, the next stop. Glendale was the only place so far honored with a two days' visit and this is explained by the statement that on such marches as this one-night stops are made for five days and then a two-night stop.

An Evening News reporter had the pleasure of a long conversation with First Lieutenant Watt, adjutant of the detachment, who is what might be called the commanding officer's secretary and has all the intimate details at his tongue's end. He gave a very clear explanation of the makeup of such detachments as this and of their work. As he has been 14 years in the regular army, he is well qualified to talk on such subjects. This detachment is made up from men of the seven troops of which the 11th Cavalry is composed and is of the strength of only two troops, 200 men with 11 officers. A cavalry regiment consists regularly of 16 troops, he said; 1600 men, besides the commissioned officers. The non-commissioned officers, sergeants and corporals, are appointed from the enlisted men.

This detachment has with it four captains, five first lieutenants, one second lieutenant and a major, who is the surgeon. Capt. Cushing Hart.

(Continued on Page 3)

TRIP TO VICTORVILLE

Mr. and Mrs. Charles Ackley returned Tuesday night from a brief trip to Victorville. They left here early Monday morning by auto with a neighbor bound for San Bernardino and from there made the journey to their destination by train. Mrs. Ackley was greatly surprised to read newspaper accounts of interruption of travel on the Santa Fe and of trains being stalled in the desert as they heard nothing about it at San Bernardino and trains were running there exactly on time. Furthermore, Roy Ackley, of Santa Monica, son of Mr. and Mrs. Ackley, was to leave this morning with his wife for New York, and was assured by train officials that it would go out as usual at ten o'clock. Mr. Ackley who is connected with Los Angeles agency of the Gramophone Company has been advised that he is slated to represent the company at Seattle and has gone East for a conference with officials. The Ackleys of Glendale are quite dismayed at the prospect of losing their son from Southern California.

THE STREET DANCE

VISITING TROOPERS THOROUGHLY APPRECIATE SOCIAL ATTENTION

Those who participated in the street dance given Wednesday evening on Broadway, between Brand and Orange, to honor the visiting troopers of the Eleventh Cavalry who have been encamped on West Harvard street, report that it was a highly successful affair. Mrs. Ralph Meeker and other matrons of the city who chaperoned their daughters did what they could to break any social ice that may have formed and to promote acquaintance among the young people to the end that they might enter into the festivities of the evening. They found the troopers for the most part young boys of high school age from good American homes who had enlisted with the regular army three years ago because anxious to go to war. To the great disgust of the major portion they were kept in this country doing patrol duty along the Mexican border. Their terms of enlistment will expire in about a month and they are joyfully looking forward to release. Mrs. Meeker declares they were irreproachable in behavior and showed genuine appreciation of the reception given them. One of them confided to Miss Meeker that nowhere on their travels had they been so treated; that at many towns they had not been received with any cordiality. Glendale will therefore be a bright spot in their remembrance. At first some of the boys were too shy to make advances to the town girls, but eventually their reserve gave way and before the dance ended at 10:30 p. m., all

STRIKE LEADERS ARRESTED

WARRANTS ISSUED UNDER INSTRUCTION FROM WASHINGTON CHARGE VIOLATION OF LEVER ACT

(Special Service to Glendale Evening News)

CHICAGO, April 15.—Twelve Chicago leaders of the switchmen's strike were arrested here today on warrants charging violation of the Lever Act. The warrants were issued at the instance of Federal District Attorney Cline under instructions from Washington. Two hundred additional warrants will be issued later, it was said.

John Grunau, arch-leader of the "outlaw strike," was not among those arrested up to noon today. Secret service agents, it was learned, plan to attend meetings of the strikers throughout the day and arrest leaders as they appear.

Government forces are in charge of Assistant Attorney General H. S. Mitchell of Washington. It was said at the office of the U. S. attorney here that repeated conferences between government agents and the chiefs of the regular unions had convinced the authorities that an unknown radical element in the railroad strike was attempting to undermine the Railroad Brotherhood to further the one big union idea.

Railroad passenger service crippled by the strike of switchmen, yardmen and trainmen, was reported being gradually brought back to normal throughout the country today. The movement of freight was being resumed in the west but was still tied up in the east.

Officials of the Railroad Brotherhood who have fought the unauthorized walk-out declared the strike was broken definitely. While men were reported returning to work in large numbers in some of the middle western cities, there were no important defections from the ranks of strikers in eastern districts.

Government officials who have been in touch with the strike situation, today expressed the belief that the men who had walked out would return to their jobs as a result of the expose of alleged I. W. W. leadership of the strikers by Attorney General Palmer. They believed the evidence Palmer made public will convince the strikers they have been misled.

Strikers at the Chicago headquarters of the leaders of the unauthorized walk-out expressed indignation at Palmer's charges. William Haywood, secretary of the I. W. W. organization, denied the charge although he said the I. W. W. approved the walk-out.

GERMANY STILL SEETHING

NEW MILITARY REVOLUTIONARY OUTBREAK AGAINST EBERT GOVERNMENT EXPECTED

(Special Service to Glendale Evening News)

PARIS, April 15.—Dispatches to the French Foreign Office today indicated that a new revolutionary military movement was organizing in Germany. An outbreak against the Ebert government was expected momentarily, the dispatch said.

STRIKE DEFINITELY BROKEN

RAILROAD BROTHERHOOD OFFICIALS DECLARE IT IS "CRUMBLING" AND "DWINDLING"

(Special Service to Glendale Evening News)

CLEVELAND, April 15.—"The strike can be said to be definitely broken," was the statement issued today by high Railroad Brotherhood officials. More than one hundred telegrams on the strike situation in all parts of the country received during the past twenty-four hours by W. G. Lee, president of the Brotherhood of Railroad Trainmen, indicate that "the strike is not only crumbling but is rapidly dwindling," Lee said.

IRISH-AMERICANS ASK PROTEST

COMPLAIN TO SECRETARY OF STATE ABOUT BRITISH TREATMENT OF IRISH PRISONERS

(Special Service to Glendale Evening News)

WASHINGTON, April 15.—Secretary of State Colby today received a delegation of New England Irishmen who complained to him that Great Britain had refused to permit Irish political prisoners to be tried but had kept them in jail without a hearing.

According to Representative Hague of Massachusetts who accompanied the delegation, Secretary Colby asked for more information relative to the charge and promised to give consideration to the request that he protest against Great Britain's alleged action.

R. C. CHAMBERS WEDDED

AUTO MAN TAKES AS BRIDE MISS MARY LIPPINCOTT

R. C. Chambers, Jr., member of the firm of Chambers & Felts, agents for the Hudson and Essex, was married yesterday, April 14, 1920, to Miss Mary Lippincott of Los Angeles.

Mr. Chambers was an ensign in the navy during the war and as paymaster handled large sums of money. His commercial training previous to the war especially fitted

him for this work. When finally discharged from his country's service he had acquired a business experience and training that was of great value to him when he chose an occupation.

The bride is a daughter of Mr. and Mrs. Charles Lippincott, who came to Los Angeles from Moline, Ill., and was quite prominent in social circles there. Her father was connected with the Moline Plow Works. She and Mr. Chambers were acquainted as children, but the engagement was entered into only about two months ago. They will make their home in Glendale, which both regard as one of the prettiest cities they have ever seen.

CITY SCHOOL NEEDS

ADVISORY COMMITTEE ASKED TO CONFER WITH TRUSTEES ON WAYS AND MEANS

At the last meeting of the Board of Trustees of City Schools Superintendent R. D. White was instructed to invite members of the Advisory Committee elected by a mass meeting of citizens to co-operate with the Board when the question of a bond issue for school buildings was broached. The bond issue, as citizens are aware, was for \$100,000 and was expected to cover the construction of the new Broadway School building, two kindergarten bungalows, and a \$10,000 addition to the Intermediate, the purchase of certain parcels of land in connection with Broadway and Cerritos Avenue Schools, and furnishings needed for the new buildings.

Citizens are also aware that because of the increased costs of labor and material which have advanced from month to month since the original estimates were made, the \$100,000 bond issue has proved insufficient to cover the building program outlined. A statement of the manner in which the problem was handled by the Board was made by Superintendent R. D. White to an Evening News representative.

On the land to be purchased the Board succeeded in saving \$1650 from the original estimated cost, and it refrained from purchasing the small triangle adjacent to the Cerritos Avenue School which belongs to the Pacific Electric Railroad because it considered the price, \$2400, exorbitant. This was the only opportunity the Board found to save on the original estimates which were made in June, 1919. The figures to be submitted to the Advisory Committee will show that the original estimated cost of the two kind-

(Continued on Page 3)

RECEPTION TO NEW MEMBERS AT CHRISTIAN CHURCH

At the Central Christian Church last night was held a reception for the 31 members who had come in just before and during the recent revival meetings. The usual Bible study was engaged in from 7 to 7:45, then, after a short intermission, the reception service began. Rev. Cole stated the object of the meeting and then after two songs by the congregation and a solo by Mrs. Floyd Mercer, the evangelist, Rev. C. Root, who had come over from Van Nuys for the purpose, delivered the charge to the new members, reading as the basis for his remarks the 12th chapter of Romans. After the conclusion of his address all of the new members present were introduced to the large audience present and received the right hand of fellowship. Then refreshments were served, after which the assembly dispersed.

QUIET WEDDING CELEBRATION

On Sunday, the 11th inst., Prof. and Mrs. P. Lee Chauvan, of 505 W. Colorado street, quietly commemorated the thirty-eighth anniversary of their wedding. They were married in San Jose, Cal., where Mrs. Chauvan was born. Mrs. Chauvan's family crossed the plains to California in 1846, her uncle, Capt. Aram, commanding the expedition, which, a part of the way, was led by the famous guide, Kit Carson. Prof. and Mrs. Chauvan have resided in Glendale for the past twelve years.

IRONING MACHINE

J. A. NEWTON ELECTRIC COMPANY STAGES BIG DEMONSTRATION

A large number of Glendale housewives responded to invitations sent out by the Newton Electric Company and gathered at their store Wednesday afternoon to witness a demonstration of an electric ironing machine. The demonstration was a very practical one and delighted all the women. Mrs. Scott, who came direct from the Simplex Ironing Machine factory, demonstrated to the satisfaction of the women present that four hours' hand work can be done with this machine in an hour and that 95 per cent of the household laundry can be ironed with this machine.

Mrs. Scott ironed shirts, skirts, pajamas and, in fact, all ordinary wearing apparel and ironed them better in less time than they can be ironed by hand. She demonstrated that a man's shirt can be ironed in four minutes and stated that the machine can be operated for three cents an hour.

PIXLEY-GOULD

CHILDHOOD ROMANCE CULMINATES IN HAPPY MARRIAGE

At the home of I. E. Gould and wife, 311 South Central avenue, occurred last night the marriage of John Guy Pixley and Miss Eva Gould. The house was decorated with Easter lilies, beautiful roses and greenery. Among these was a large basket of vari-colored roses sent by Marjorie Rambau, who is a friend and neighbor of Mrs. Pixley, mother of the groom. All the members of the families of bride and groom were present and about 50 other guests, many of them members of the classes in the West Glendale M. E. Sunday School to which Guy and Miss Eva had belonged for several years.

Promptly at 8:30 to the strains of Mendelssohn's Wedding March, played by Miss Lela Whitehead, the bride party entered and took their places before the officiating minister, Rev. W. W. Cookman. The two bridesmaids were Miss Marjorie Singleton and Miss Helen Gould, sister of the bride. Little Marjorie Gould was flower girl and Elmer Hoffman best man. The ring ceremony was used and the bride was given away by her father. After the ceremony refreshments of ice cream and cake were served and shortly afterward the new-made man and wife prepared to depart on a wedding trip. Guy's machine was standing ready on the driveway, as if ready for instant service, but plotters against his peace had disconnected the wires and planned to capture him when he should attempt to start away with his bride. But he was too shrewd for them and whisked his bride away to another machine which had been prepared for the purpose, and they were off. They will visit the beaches and possibly Catalina, returning in a week or ten days to take possession of the new home that is being rushed to completion for them at 400 West Harvard. Many beautiful presents in cut glass, silver, table linen, chairs, kitchen utensils and the like were given them.

The bride and groom became acquainted while attending the same Sunday School as children. This friendship ripened into love and they became engaged before Guy went away to war service overseas. On his return the wedding day was set and Guy began making preparations for building a home for his bride.

MUSICIANS INTERESTED

Mrs. Spencer Robinson reports that the announcement of the debut on this coast of Miss Elsa Breidt, of this city, who is to make her bow to the western public as a concert pianiste in Glendale next week, has created great interest in musical circles of Los Angeles and vicinity. Mrs. Robinson has been advised that many are coming to Glendale on the night of the concert to meet and welcome Miss Breidt, the list of these prospective visitors including Estelle Brown Mills, prominent as a singer and teacher in Los Angeles, Madame Petschnikoff of Hollywood, Miss Hilda Notte, Madame Delaney, Miss Margaret Goetz and other professionals and music lovers of Los Angeles.

MINSTREL-POET

RECITATIONS OF VACHEL LINDSEY AROUSE DISCUSSION AT HIGH SCHOOL

The faculty of Glendale Union High felt it had been rarely fortunate in securing as a treat for the students a brief recital by Vachel Lindsey, minstrel and poet, who addressed a paid assembly Wednesday morning at 11:15. Few men listed as entertainers who have appeared before schools and clubs in Los Angeles as has Mr. Lindsey, have aroused as much comment and such diverse criticism. Those who heard him with an open mind at the High School say he is the apostle of rhythmical expression and also the apostle of beauty in common things. They described him as of the reddish blonde type, and say that he tilts back his head and goes into a sort of poetic trance from which he comes to and makes his bow with a suddenness almost startling.

His contention is that all other peoples intone their poetry and the English-speaking peoples have lost much in emotional expression by suppressing the singing instinct which every child has in the beginning.

STREET DANCE

(Continued from Page 1)
were apparently enjoying themselves thoroughly.

The space reserved for the function had been beautifully illuminated by two large lights provided by the City Lighting Department, and splendid music was provided by the High School Jazz Orchestra, which included Tom Middlekoff, violinist; Kenneth Whaley, pianist; Brigham Bennett, drummer, and Gerald Toll, saxophone.

At one side and about the middle of the block refreshment tables offered a tempting display of fruit punch and fancy cakes. This feature was in charge of Red Cross workers, the hostesses being: Mrs. H. E. Bartlett, Mrs. Harry Greenwalt, Mrs. Wilson, Mrs. W. W. Worley, Mrs. P. A. Wells and Miss E. Daniels. Twenty-five cakes had been contributed and when the party broke up a considerable number remained uncut and there were several gallons of unused punch. These were turned over to the captain of the troop for the boys to enjoy in camp.

BLACKBURNS IN COACHELLA

Mrs. R. A. Blackburn, head of the City Welfare Bureau, and her father, L. A. Royce, who have long resided on North Cedar street, left Glendale the early part of the week to join Mr. Blackburn at Coachella where he and his son, Robert, are developing ranch property and where Mr. Blackburn is to have charge of the city water works. Mrs. Blackburn has been granted a temporary leave of absence from her duties at the City Hall and will probably return to Glendale before long. The house in which the Blackburns have been living was sold the day before Mrs. Blackburn left.

WEATHER FORECAST: Unsettled weather with rain at intervals tonight and probably Friday.

ANNOUNCEMENTS

ADVERTISEMENTS

W. C. T. U.
The thirty-sixth annual convention of the Los Angeles County Women's Christian Temperance Union will be held in the Methodist church, Glendale, April 21-23. An interesting program has been prepared and all meetings open to the public. Greetings from Glendale will be given by the Ministerial Association, Missionary Federation, High School Parent-Teachers' Association, Tuesday Afternoon Club and Local Union. Local soloists are Mrs. Fannie Marple Retts, Mrs. Hartley Shaw, Mrs. Vera McGee Neighbors, Miss Margaret Dick, Mrs. Helen Kneib and Miss Olive Adams. Violin solos by Prof. O. Lowinsky and Eldon Ford. The Methodist choir will render chorus and solos. Hon. A. J. Wallace, candidate for United States Senate; Mrs. A. J. Lawton, president of Legislative Council; Mrs. Stella Irvine, state president, and Dr. Jessie Russell will give addresses. Subjects presented by the county superintendents in five-minute talks are: "To Lift Today Above the Past"; "To Make Tomorrow Sure and Fast"; "To Nail God's Colors to the Mast"; "The Duty of the W. C. T. U. to the City Government." The president's address, by Mrs. Julia D. Phelps, will be heard Wednesday evening following the prayer meeting and Thursday evening there will be a fine pageant on "The World for Prohibition." Other items of interest will be found on the regular program. Everybody cordially invited.

WOMAN'S AUXILIARY ORGANIZATION

A mass meeting is to be held in the American Legion Headquarters over the Boulevard Branch of the Bank of Glendale at 7:30 tonight, (Thursday). All mothers, wives, sisters and daughters of ex-service men are urged to be present.

MOTHERS' CLUB

An important business meeting of the Mothers' Club of the Acacia School will be held Friday, April 16. All members and friends are urged to come.

MRS. E. STRONG, President.

NOTICE

Because of the mass meeting to hear Judge Reeve at the High School Friday evening, the Brotherhood banquet announced for that date at the First Methodist Church, has been postponed one week.

Personals

Mr. and Mrs. F. J. Runyon, who left Glendale last July, have returned here to make their home.

Samuel Parker, who was under the weather for several days, is all right now and reported to be feeling quite normal.

J. H. Flower has just commenced a 5-room house at 1139 East Maple, to cost \$3000. This will make five residences he has built on Maple and Chestnut, east of Adams.

Clifford Clanin, whose fine new 7-room residence on North Jackson is nearing completion, has moved into his garage for the time being. He expects to get into the house about May 1st.

H. Venske, who has built several houses in the section west of Columbus avenue and north of Broadway, is just commencing another, a 7-room residence at 401 West Wilson avenue to cost \$4000.

Mr. and Mrs. Herbert Howeth, 329 North Orange, attended a dance at Los Angeles last evening at the Clark Hotel ball room. This was one of a series of dances being given each month by a select social club.

While the misty rain of last night and this forenoon caused water to run in the streets there was not enough of it to make any record in rain gauges, so it is entered simply as a "trace." The moisture was of great benefit to early gardens and grain crops as well.

The Glendale Commercial School will on Saturday, April 17th, move from their present location to temporary quarters, at No. 219 1/2 East Broadway. In about four months it is expected their permanent home will be ready; this will be in the new building being erected just north of Masonic Temple.

Ambrose Ayres of Hartford City, Ind., was here the first of the week to visit his niece, Mrs. Will Theobald, 342 West Acacia avenue. He came here from Modesto, where he had been visiting a brother. He left yesterday for home, intending to stop in Oklahoma to visit a sister.

Work on the Richbart garage building at 107 West Harvard, which was suspended for a few days while a difference with the city building department over the thickness of one of the division walls was adjusted. All was made satisfactory, finally, by the contractor, Gordon LaBarr, and the building will soon be completed.

Mr. and Mrs. Eble of 1146 Campbell street are leaving Glendale next week for Iowa to spend a year and a half at the Palmer School for Chiropractics. On completing their work there they will return to this city. They are full of enthusiasm and say they have become interested in this form of practice through relatives who are following it.

Mrs. Caroline Black of 1019 South Brand had the misfortune to fall as she was alighting from an auto a few days ago and dislocate her right shoulder. Mrs. Black and her daughter came here from Illinois a few months ago and were so determined to live in Glendale that, after vainly searching for a house they rented a vacant store room and fixed it up to live in.

MINSTREL-POET

(Continued from Page 1)

ning when reading verse. The fact that the colored preachers to a great extent intone their sermons and thus sway their audiences to the rhythm of their cadences is to him a proof of the tremendous power of rhythmical expression.

One of the poems read was descriptive of a commonplace country road in Kansas. He did it in such a way he visualized the scene and made his auditors hear as well as see the traffic of the thoroughfare. His reading of "The Calliope" was another wonderful performance.

Mrs. Doris Gibson said she was reminded of the Armfield Players whom she heard at the University of California last summer, who interpreted poems with much the same emphasis of rhythm. She pronounced the "minstrel-poet" very modern, one whose relation to dramatic reading is similar to the attitude of the futurists toward conventional art, or the impressionists toward standard music. Briefly, she thinks he has a real message, an underlying truth which he exaggerates to arrest attention.

WORDS OF APPRECIATION

I wish to thank the citizens who so splendidly supported me as a candidate for the office of City Trustee, in the recent election.

I will do my best to be worthy of the confidence expressed by that vote and to me personally since the election.

ANN P. BARTLETT.

Glendale, April 15, 1920.

SPECIAL RABBIT SALE

Big consignment of New Zealand Red, Flemish, and New Zealand White rabbits at less than cost to raise them. Bucks, does, does with litter, live broilers. Don't miss this sale. Poultry & Pet Stock Exchange, 142 North Brand Blvd., Glendale. Phone Glendale 392. We sell for less.—Adv.

OUR SOLDIER GUESTS

(Continued from Page 1)

well is in command and Capt. Willis Blunt is supply officer and advance agent, going ahead to make arrangements for the camps and secure the co-operation of citizens. Then there are Capt. Johnson, in immediate command of Troop 1, and Capt. Holmes of Troop 2. The first lieutenants are Lieut. Watt, the adjutant, Lieuts. Finley, Burgess, Gahan and Ward, the latter the veterinary surgeon of the detachment. Then there is 2d Lieut. Hogan. Major Wemple is the surgeon, whose duty it is to look after the health of the men.

The men are a hearty, healthy lot of young fellows and most of them seem to really enjoy the life. Their food is of the best, and is prepared by good cooks. Each trooper carries as arms a Springfield rifle, Colt's automatic pistol and sabre. The rifle is swung from the saddle and is held securely to the horse's side by the trooper's left leg. The oldest man in the detachment is a sergeant, about 46 years old, with 26 years of continuous service to his credit. In four more years he will be retired on a pension of \$67.50 a month.

Asked about the length of the 11th Cavalry's service on the border he said it was at Camp Hearne three years, Calexico three years and El Campo one year. They will be at the Presidio in Monterey from now on indefinitely, probably until a hurry call is sent out for service on the border or at some danger point elsewhere. When serving as a regiment there is a medical detachment and a motor transport corps attached to the regiment. Lieut. Watt was with the 5th Cavalry prior to his transfer to the 11th and saw service under Gen. Pershing when he went into Mexico in 1916 to try to capture Villa. He spoke in high terms of the treatment accorded the detachment in Glendale, saying it was the most cordial reception yet given them. He said that they had met with some coldness and discourtesy on their march but they had nothing to complain of.

The youngest member of the detachment is a boy of 13, son of a well-beloved major who died recently. The men asked that this boy be allowed to stay with the regiment. He is said to be the best rifle shot in the detachment. Many of the men have dogs as pets and these are carried on the supply wagons.

CITY SCHOOL NEEDS

(Continued from Page 1)

dergarts was \$3700, while the contract price was \$5650, a net loss of \$1950, or more than had been saved on the purchase of the land bought.

The probable cost of the Broadway School under the June estimate was \$65,000 and it was to contain ten class rooms, an auditorium, a manual training room and administration offices. When the money was available and the contract let the Board found it would have to cut down the number of class rooms to eight and even then the lowest of the five bids submitted was \$78,630 or \$13,630 higher than the estimate. The next lowest bid was \$10,000 higher than the one accepted.

The estimate for the addition to the Intermediate School had been \$10,000, but the lowest bid received was \$17,500 and under that bid two of the four rooms and the basement were to be left unfinished. That contract was never let as the bid quoted was the lowest of the three submitted and was considered utterly out of the question by the Board. Some money, Superintendent White says, was saved on the architect's fee for which an allowance of \$5000 had been made; for the architects agreed to make all the plans required under the building program for six per cent of the cost of the Broadway building.

Also, the Board spent no money under the original estimate for furniture—\$3700. The furnishings required for the kindergartens have been taken care of out of the maintenance funds included in the budget and not from the proceeds of the bond issue.

Had the Board purchased the triangle of land from the Pacific Electric at the prices asked, \$2400, and had it let the contract for the Intermediate addition at the lowest bid—\$17,500—it would have spent \$19,848 more than the total amount of the bond issue of \$109,000, but these expenditures were not made and the Board has been able to keep within the \$100,000 but without any allowance for furniture.

These facts will be placed before the Advisory Committee which will be asked to instruct the Board how to proceed to meet the problem of congestion in the Intermediate School and cover the deficiencies mentioned. Enrollment in the Intermediate and all the city schools is growing steadily as the records show. In February, 1919, pupils in the city schools numbered 1743 against 2011 in February, 1920. The March enrollment last year was 1892 against 2110 this year.

The Advisory Committee will be asked to determine whether an election for a small additional bond issue shall be called, and if so in what amount. Superintendent White estimates that a sum sufficient to cover the addition and finishing of the Intermediate addition, the purchase of the P. E. triangle of land, the necessary school furnishings will be in the neighborhood of \$25,000 to \$30,000, as the increasing costs of building must still be reckoned with. The members of the Advisory Committee are: R. W. Meeker, J. S. Thompson, W. F. Wood, John A. Logan, David Black, H. V. Henry, Mrs. M. O. Ryan, Mrs. Lydia M. Kulp, Ezra F. Parker, and Mrs. A. A. Barton.

Mrs. A. C. Oliver of 1104 East Broadway was taken to the Westlake Hospital, Los Angeles, Wednesday. She is doing as well as possible, the surgeons say, and has every reason to anticipate an excellent recovery. She expects to be brought home in about two weeks. Her daughter, Mrs. Hadsell, of San Bernardino county, is with her.

A NOVEL WAY TO ADVERTISE

This sale was developed as an advertising plan by the United Drug Company, owned by 8000 druggists. Rather than spend large sums of money in other ways to convince you of the merit of their goods, they are spending it on this sale permitting us to sell you a full-sized package of high standard merchandise for 1c. It costs money to get new customers and the loss taken on this sale will be well spent if the goods please you.

THE WAY WE DO IT

You buy an item at the regular price—then another item of the same kind for 1c. As an illustration: The standard price of Rexall Tooth Paste is 25c. You buy a tube at this price, and by paying 1c more, or 26c, you get two tubes. Every article in this sale is a high-class standard piece of merchandise, just the same as we sell you every day at regular prices, and have sold you for years.

No telephone orders received for items on this sale.

Be sure to attend this sale. Hundreds of other articles not mentioned in this ad. will be sold for 1c.

At the present time with prevailing prices and high cost of all household necessities, surely a sale like this should appeal to you. To the hundreds of people who took advantage of our last sale and to others who came in after the sale was over, would say, do not wait until the last day, and remember that it is for **Two Days Only**.

R. P. JODON, Glen. 1936 W

JOHNSON CLUB

(Continued from Page 1)

tative for every precinct in the district including La Crescenta, La Canada, Tujunga, etc.

On motion of Mr. Baker the question of selecting campaign headquarters was left to the discretion of the president and secretary with power to act, Mr. Braly advising that it be on the ground floor, with a table outside where literature could be dispensed.

Mr. Baker urged that members use Johnson pennants on their automobiles for their psychological effect; and another member recommended Johnson propaganda in the writing of letters to friends in the East.

W. E. Evans offered a resolution pledging the club's enthusiastic, loyal support and votes in the presidential primary election, which resolution was unanimously passed.

Chairman Franklin named as three members of the executive committee, Messrs. Braly, Evans and Leppelman and invited them to meet with him and other officers of the club at the home of Mr. Braly on North Brand boulevard Friday evening.

Mr. Braly then made a speech in which he said: "There are a few things we should fix in our minds about Hiram Johnson's candidacy—first, that this is his native state; second, that he is the one man of all the candidates who understands the interests of the Pacific Coast, especially California." (Applause). He then spoke of the importance of the great irrigation projects set forth in the recent convention of the Southwest League with which Johnson would be sympathetic and of kindred irrigation projects in connection with the Sacramento, Feather and Kern rivers. He told of failures in years gone by to interest Eastern presidents, notably McKinley—in such matters because they did not understand them and how impossible it had been to secure Federal aid until Roosevelt came to the White House, when the Roosevelt Dam became a reality and paved the way for the reclamation of other rich territory. "He (Johnson) knows more about such matters than any other candidate for the presidency, and for the sake of California and the United States we should do all we can to put him in the presidential chair," the speaker declared. He then spoke of Johnson's aid to the cause of woman's suffrage and said that but for his influence with legislators the bill referring the question to the voters of California would never have passed.

Mrs. Braly reinforced her husband's remarks in regard to Johnson's knowledge of the needs of the West, and was rewarded with applause.

E. U. Emery declared that Senator Johnson is 110 per cent American and was also applauded.

Mrs. W. E. Evans said she thought

club women had been misrepresented when they were reported as endorsing the League of Nations unequivocally; that she for one, and a great many others of her acquaintance, believed as did Senator Johnson, in the League of Nations but with reservations to safeguard it.

Mrs. Leppelman said she was prepared to enroll under the banner of Johnson because Roosevelt had so warmly indorsed him.

While the meeting was in progress subscriptions and pledges were received by the treasurer and members enrolled. Among those present were: J. H. Franklin, Mr. and Mrs. John Hyde Braly, W. E. Evans and Mrs. Evans, Mr. and Mrs. S. C. Leppelman, Harry M. Miller, Mrs. Mabel Miller, J. A. Trotter, Claud Berger, Edw. A. Carvel, John Fanset, Calvin Whitting, C. A. Rudel, Francis Gilman, E. U. Emery, Owen Emery, Jesse Joseph, Albert Pearce, S. B. Johnston, Mr. and Mrs. J. W. Singleton of La Crescenta, W. E. Hewitt, Mr. and Mrs. George A. Montgomery, Hugh McDonald and J. H. Robertson.

Wonderful Results at 70 From Internal Baths

Mrs. L. M. Wadlia, 2043 National Ave., San Diego, Cal., writes Tyrrell's Hygienic Institute of New York as follows:

"Within the last month have had wonderful results and all inflammation has nearly subsided. I could hardly expect a woman over 70 to receive benefit from a trouble of long standing as quickly as a younger person. Money could not buy my 'J. B. L. Cascade' if I could not get another."

It is difficult to believe how many internal troubles internal bathing will relieve until you realize that physicians agree that 95% of human ailments are caused by accumulated waste in the lower intestine.

The "J. B. L. Cascade," the scientific method of internal bathing, removes, in a perfectly natural way all poisonous waste, and has been so successful in promoting health that over half a million intelligent Americans are now using it regularly.

It is the invention of Chas. A. Tyrrell, M. D., of New York, who for 25 years was a specialist on Internal Bathing, and it is now being shown and explained by Roberts & Echols in Glendale.

They will give you on request a very interesting booklet on Internal Bathing by Dr. Tyrrell, "Why Man of To-day Is Only 50% Efficient." Ask for it to-day and know more about yourself and your functions than you ever have before.

Making Business Friends

is simply a matter of being on the level with yourself and with others. Our speed and safety slogan smiles itself into public favor. Let us move you into your new home—you'll find it a comfortable arrangement.
